

Long-term impact of mini-stroke: Stakeholder Engagement Event

You are invited to attend a
Stakeholder Engagement Event to discuss the long-term
impact of Transient Ischaemic Attack (TIA) and minor stroke.

Date: Tuesday 18th October, 2016

Time: 11.00am–16.00pm

Location: University of Birmingham

46,000 people experience a first-TIA each year
in the UK.

If you would like to attend please
contact Dr Grace Turner:

University of Birmingham Phone: 0121 414 5463
Murray Learning Centre E-mail:
B15 2TT G.Turner.1@bham.ac.uk

The latest findings, published in the *European Journal of Neurology*, reveal that TIA patients are more likely to complain of psychological impairment, cognitive difficulties and fatigue compared to controls.
